Professional Summary

I'm a passionate and driven web developer with hands-on experience as a Frontend Developer and WordPress Developer. During my internships, I built responsive, user-friendly websites and contributed to real-world projects that enhanced my skills in JavaScript, React, WordPress, Node.js, and MongoDB other modern technologies.

I'm now looking for opportunities where I can collaborate with teams, continue to learn, and make a meaningful impact in the world of web development.

Programming Skills

Frontend: HTML, CSS, JavaScript, React JS, WordPress, Bootstrap, Bitbucket
Backend: Node.js, Express.js
Database: MongoDB
Tools & Platforms: Git & GitHub, VS Code, Figma, REST APIs, WordPress

---
